In the open plan living room there is also a fully equipped kitchen and breakfast bar.

A VERY WARM WELCOME...

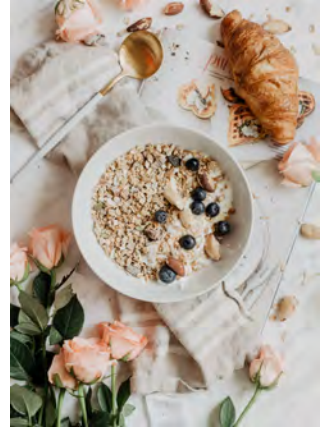

Our Wedding Party Packages always include:

- A healthy continental breakfast every day for all guests (pastries, freshly baked bread, fruit, yogurt, granola, various delicious tostadas, fresh juice, herbal teas and excellent coffee)
- A good glass of fizz or the cocktail of your choice for all your guests upon their arrival!
- A bottle of champagne in the Bridal penthouse, together with some treats such as flowers, chocolates, strawberries, bathrobes and some little wedding gifts from our team...
- Mimosa cocktails served with breakfast on the day of your wedding!

We will be very pleased to also provide quotations for additional special events, tailor made for you and yours, including drinks & canapes receptions, poolside lunches and suppers, and evening events with live music entertainment.

EVENTS + CELEBRATIONS

Our events team will work with you to plan the day, or days, of your dreams and we offer various events, parties and entertainment to exceed your wishes and match up to your budget. Here are some examples of some of the many things we can serve with love for you and your wedding guests:

Fine Wines + Tapas Poolside Receptions - something nice to welcome your guests and bring them together, a sunset reception offering guests locally sourced Spanish tapas and nibbles, such as prime aged Iberico hams, local cheeses, breads, olives and salads together with some fantastic Spanish wines...

Champagne + Canapes - Professionally catered canapes based on your favourite foods and freeflow of your favourite champagne or cava - again, this is something special to bring your guests together before or after the main event...

Poolside BBQ + Buffet - an informal Wedding Breakfast for those ripping up the rule book - guests can enjoy exceptional quality produce (excellent prime cuts, fish, prawns, lobster, grilled vegetables etc.) together with a range of delicious sides to suit every taste and an open bar until late!

Special Breakfasts + Brunch - on the day of your wedding or maybe the day following, we can put on a lavish breakfast or brunch for you and your guests. Let us know if you prefer smoked salmon with caviar, scrambled eggs and bellinis on the side, or smashed avocado toast and poached eggs with a good bloody mary, or steak, grilled cherry tomatoes, spinach and eggs with a flute of chilled champagne. Just tell us what you love the most and we will do the rest!

Cocktail Parties - We are proud to share our legendary mixologist Marcos Garvin with you. Marcos was head barman at the famous cabaret club Lio for many years, where he invented Ibiza's most expensive cocktail at 1,500 euro per glass (a small fortune back then in 2015!). Working with Marcos we can create your perfect cocktail party pairing canapes with your favourite classic or brand new fresh and delicious cocktails for a seamless and very sophisticated poolside affair!

Outside Catering - if you have your heart set on a particular chef or private catering option, we can of course accommodate this. Just let us know and we can manage all the details through to full service of a formal lunch or dinner on the day itself.

The Olive will always cater to you and your guests needs, so when planning your events + celebrations we can provide vegan and vegetarian menus when required and also gluten free options. We can work to a fixed budget to create magical events and experiences that won't break the bank but that will be remembered forever.

TIME TO PARTY!

We can arrange live music for your wedding day or pre or post wedding party. Whether it is a string quarter to accompany the walk down the aisle, live jazz, soul, blues or the latest pop or Indie in the evening, we have an excellent little black book containing some of Ibiza's most fantastic artists and groups. We also are friends with some epic DJs, so if your thing is a little deep house, rare groove or even techno, we have got it covered.

If The Olive is exclusively booked for your wedding, you can party until late by our poolside (or even in the pool if the mood takes you!) with our Chiringuito super bar team taking care of you all.

DECORATION, DESIGN + STAGING

We are very fortunate to be partnered with Ibiza's most imaginative and professional events and staging company, Velvet Circus.

CAPTURING THE SPECIAL MOMENTS

The Olive is proud to partner Iconic Ibizan photographer Gypsy Westwood who specialises in artful and beautifully romantic wedding photography. Gypsy's talent for a cutting edge shot and her passion for exceptionally tasteful editorial style photography is second to none.

She can accompany the wedding party from the start of the day when the blushing bride and her bridesmaids share the first sip of champagne to relax the nerves and embark on hair and make up, through to the moment of "I do!" and onward well into evening. Gypsy truly loves a love story and can capture the wondrous magic of your day, giving you a portfolio of images to treasure forever.

WHAT HAPPENS NEXT...

Please do talk with us about your wedding so we can really understand your expectations, your wishes, a little bit about your guests and guest numbers, and of course lots and lots about you and your partner. Your favourite foods, favourite drinks, colours, music and more!! We can then have a look at your preferred budget and can come back to you with a detailed proposal and quotation. If you are happy to move forward we would require a deposit of just 20% in order to confirm the booking.

If you haven't visited The Olive before, we would be delighted to invite you for a tour or a stay with us if you can, so you can come and meet the team and enjoy our hospitality first hand.

With our thanks and very warmest wishes,
